Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important and which are feasible. → 20 minutes Importance If each of these tasks could get done without any difficulty or cost, which would have the most positive TIP

Participants can use their cursors to point at where sticky notes should go on the grid. The facilitator can confirm the spot by using the laser pointer holding the HKey on the keyboard. Feasibility Regardless of their importance, which tasks are more feasible than others? (Cost, time, effort, complexity, etc.)
